

Instructions for utilizing the MESTA listserver

MESTA provides interested members with the opportunity to communicate with the organization's Board and other members through a public listserver.

**To subscribe to the list, simply send an email message from your account to:

You cannot send e-mail to the listserver without being subscribed. If you are sending the e-mail from within your web browser, please make sure your e-mail address is properly configured prior to sending. Posting of attachments IS NOT allowed on the MESTA Listserver.
